## *"A" note from the president:*

Hi Everyone,

July was a busy month and I'd like to personally thank all of our members who were able to participate in any of our events. I think the hardest thing is trying to decide which events to attend. Also, a special thank you to those members who displayed their cars at the Arthritis Foundation Auto Show. Please read John Moore's letter below.

We still have lots of great events to come so keep that gas tank full.

Take care,

*Daric*

Many thanks to the members of our club who gave up their time and money and supported the Arthritis Foundation Auto Show. We had a total of 18 cars on display from our club and three of our members supplied six of those cars! Congratulations to Bob Brown who walked away with a First Place award for his recently restored 1928 two door sedan. The Award of Excellence was awarded to Lou Ardit, Steve Rohner, Ken and Karen Szakelyhidi, and John Moore. The weather was perfect and everyone enjoyed this special event. Thanks again to those who supported this worthwhile cause.

John Moore
