## *"A" note from the president:*

Hi Everyone,

Hard to believe that the summer is almost over. It seems like we just had the Spring Tune-up events and here it is Labor Day already! Thank you to everyone who participated in the annual Club Auction. A special thank you goes to Karen Szakelyhidi and Kathy Bickley for making the delicious deserts. I think everyone who attended had a good time, there were some really good deals, and one sale even reached a \$100! By the end of the night, the Club made over \$600! I also want to thank everyone who battled the awful traffic and attended the Ohio Theater car display. It was an impressive sight to see 12 Model A's lined up on State Street.

I'd also like to take this time to comment on some e-mails that were sent to the group earlier this month. Clubs are like a family, and families have disagreements, and families are not perfect, but in the end they're still family. Also like a family, a club is only as good as it's members, and typically, the greater the number of active members, the greater the club. If there are things that you don't like about our club, or if you have ideas to make the club better, share those ideas with the officers and we can have an open discussion about it. After all, it's your club! But because it's your club, you also have to come with suggestions, solutions, or a plan to try and implement your ideas. No one person has all the answers, and I think we have a pretty good club, but together I think we can make it even better.

Take care,

*Daric*

**WHAT: Don Mink's Bean Dinner – Points Event #1**

**WHEN: Sunday, September 15th**

**WHERE: Don Mink Family Farm (Gallipolis, Ohio)**

**TIME: Departure Time 8:00AM SHARP**

**MEETING SITE: Bob Evans Restaurant (3776 South High St.) on Rt. 23 South, a short distance North of I-270**

**DETAILS:** This is our annual bean dinner, one of the highlights of our touring season, and will be held at Don Mink's Farm in Southern Ohio. This is a joint function with the Southern A's, and Don strives to make it better every year. The Southern A's will once again be furnishing the ham, chicken, dessert, and the homemade ice cream. To help ease some of the burden for the Southern A's our club is requesting that everyone please bring a side-dish to share. Other than a side-dish, all we have to do is get down there. There will also be live entertainment making the whole day one to remember.

For those who may be a little intimidated by driving their Model A that distance, don't be. We have a good record of keeping these old Fords going on a tour. However, don't miss this event because you may not yet feel adventurous in your "A". Come in your modern car and enjoy the food and company.

For those who want to caravan there, we will meet at the Bob Evans Restaurant (3776 South High St.) on Rt. 23 South, a short distance North of I-270 for a departure of **8:00AM SHARP**. Please arrive early if you plan to eat breakfast there BEFORE we leave.

For those who want to meet us there, follow the directions and included map below to the Mink Farm. The directions below are deemed accurate, but are not guaranteed. Please drive safely!

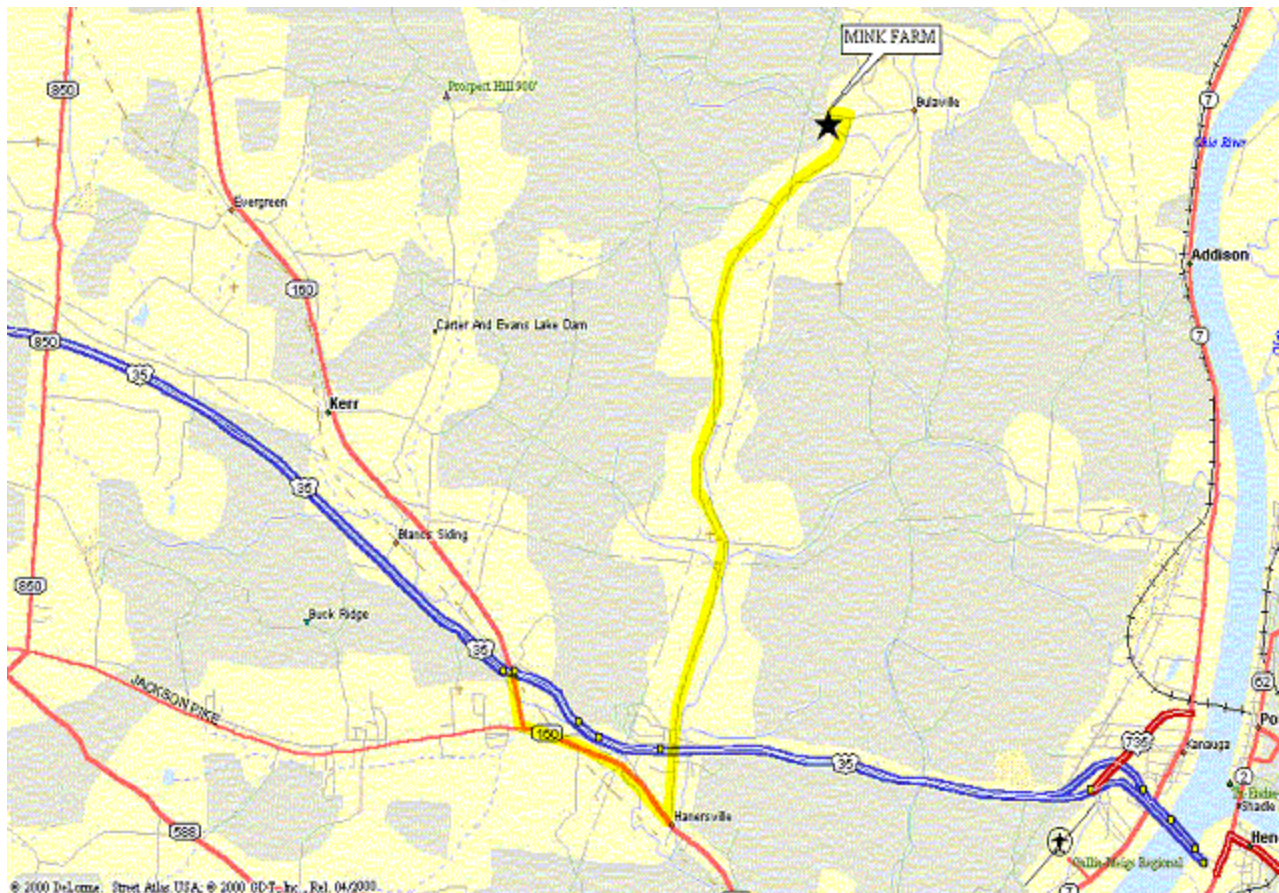

- From Columbus follow Rt. 23 South to Chillicothe.
- Then follow Rt. 35 East for about 60 miles to the Gallipolis exit, Rt. 160.
- Follow Rt. 160 South for about 1½ miles to Bulaville Pike and turn LEFT.
- Follow Bulaville Pike for about 5 miles to the end of Bulaville Pike and turn LEFT.
- The Mink Farm is on the LEFT about ¼ mile down the road.
- Map to the Mink Farm on the following page.

**WHAT:** International Model A Day Family Picnic – Points Event #2

**WHEN:** Saturday, September 21st

**WHERE:** Sharon Woods Metro Park (6911 Cleveland Ave., Westerville)

**TIME:** 11:00AM – 2:00PM

**DETAILS:** The Scioto Model A Club is hosting a family picnic in recognition of International Model A Day. Follow the signs to the shelter at the rear of the park. For the 5th year in a row Skip Apple, club member and owner of Yogi's Hoagies (1274 Morse Rd., Columbus), has generously donated the meat and buns. Bring your own chairs, drinks, and a covered dish to share. Bring a pole if you want to fish.

Also, for those who are interested and looking for a fun destination, the National Model A Museum in Hickory Corners, MI is having their own International Model A Day celebration on Saturday, September 21. Visit their website, or contact John Moore for more details.

## August 2013 Events

### Fun at the Fair

Now if we can figure out whose finger that is, we will all know who went. Looks like they had fun and a perfect day. They participated in afternoon parade and received a lot of nice compliments. Well done, great PR for our club and you can't complain about being able to park on the fairgrounds for the day.

### Ohio Theatre Tour

We filled the block in front of the Ohio for their annual silent picture night again. Our Ford club has been doing this for years and both the theatre and public look forward to seeing them out front. Those who arrived early were able to take in a personal tour of the theatre, which was a highlight.

## Lady's Page – well, almost one

We have been touring around in these old Fords for decades and a couple of times some of the members have dressed up in “period” costumes for special events. Ken and Karen Szakelyhidi have a friend who has a business selling period clothing. Some of you may want to visit, and there is talk of having a “fashion show” soon. Here is the website:
