*"A" note from the president:*

Hi Everyone,

Autumn is finally here and we've already witnessed the leaves and temperatures begin to fall. Soon our Model A's will be put away for winter storage, but not before one last driving tour for 2013. The October Tour will take us to see some of the historic covered bridges of Union County. At the October Tech meet, we will also nominate the club's officers for next year. I hope to see many of you at the October Tech Meet and Driving Tour.

Take care,

*Daric*
