"A" note from the president:

Hello Everyone,

Although the weather was less than pleasant, several members attended the tour at the Thompson Library on the OSU campus on Saturday, February 15th. We were able to view a number of interesting set displays for theatrical performances and learn some history about theatre at the same time. Thanks to Daric for planning and leading this tour. Lunch at Sloopy's followed. Let's just say we all ate our fill and probably had no need for a large dinner that evening!

If you haven't had the opportunity to pay your yearly dues, please get a check in the mail to Jaci Rohner or Ellis Kauffman as soon as possible. Our Tech Meet at Rick's Ford Garage on Wednesday, March 5th, is another excellent opportunity to catch up for the year. Remember, dues and our mid summer auction are our only fund raising activities.

A very special welcome to new member Jeff Brashares! Jeff has chaired the Arthritis Show for many years, and will be a valuable asset to our Club in terms of his experience and love of collectible cars. Don't forget our Club goal of recruiting 8 new members this year. Every new member you recruit is worth 2 Scuttlebucks that can be applied to Club merchandise or toward your Christmas Party meal.

Believe it or not, this lousy weather will soon break and Spring will be upon us. Touring season begins THIS month! Let's get our A's ready, make sure their roadworthy, and plan on having an enjoyable and fun- filled Spring, Summer and Fall on the road.

Please don't hesitate to give me a call anytime with suggestions, issues or ideas relevant to making our Club better and better for all.

Dan

OSU Library Theater Exhibit - February Tour 2014

Pretty girls and pretty clothes on display at the OSU Library. Are they thinking of something to wear this summer?? Meanwhile Ellis and Doug are looking at a prototype for a new garage, I think. Nice group shot, a pretty maiden, and ugly one, and the 1924 "Can Tour" picture from the library. I'm jealous!!!

Sweet Garlic Glazed Chicken Recipe

Submitted by: Karen Szakelyhidi

cherylstyle.com/showcase/sweet-garlic-glazed-chicken-recipe/

Seriously, who wants to stare blankly into the fridge at the end of a hectic day? Our sweet garlic glazed chicken promises to deliver a quick-to-table, easy-to-prep and yummy-to-eat weeknight dinner.

Chicken is a mainstay for some very good reasons. It boasts lean and healthy protein, is inexpensive and appeals to almost everyone. But let's be honest. Haven't some of your tried-and-true chicken recipes been feeling a little...boring?

Get out of your rut by making this super-simple, slightly different approach to chicken. You will begin by mixing four pantry staples to form a paste to slather on your chicken breasts. The combination of smoky brown sugar with warm and spicy garlic creates a sweet and crunchy bite that leaves you wanting more. The key to success for this dish is an instant meat thermometer. Chicken should be cooked to an internal temperature of 165 degrees. In this recipe, you'll remove the chicken at 160 and allow it to rest for five minutes.

During this short timeout, the chicken will continue to cook, eventually reaching the magic 165. This process is called carryover cooking and has the added benefit of giving the juices a chance to redistribute through the meat. (Say bye-bye to dry, overcooked chicken!)

Using the thermometer also means you don't have to cut into the chicken to test for doneness (an unreliable method at best). Any time you cut into extremely hot chicken, that precious moisture and flavor will run out onto the plate.

If you think the prep is quick, sweet garlic-glazed chicken has an even faster and easier cleanup. Just line your baking sheet or casserole dish with aluminum foil and coat with non-stick cooking spray. You'll be on out for an after-dinner walk in no time.

prep time: 10 minutesbake time: 10–15 minutesmakes 4 chicken breasts

Ladies Corner (continued)

what you'll need

4 boneless, skinless chicken breasts of equal size
salt and pepper
¼ c brown sugar
2 tbsp Dijon mustard
1 tbsp minced garlic
2 tbsp all-purpose flour

let's do it

preheat oven 450 degrees
line baking sheet or casserole dish with aluminum foil; coat with cooking spray
(I used parchment paper on cookie sheet)
season both sides of each chicken breast with salt and pepper; place on baking sheet smooth side up
mix remaining 4 ingredients into a thick paste
coat each chicken breast entirely with an equal amount of sugar mixture
bake until internal temperature reaches 160 degrees (10–15 minutes depending on thickness)
remove from oven and allow to sit uncovered 5 minutes
serve and enjoy!

WANTED!! Women to submit articles, recipes, short stories, helpful hints, etc. for the Scuttlebutt.

LADIES and gentlemen we've had some requests!!

If you would like an extra copy of the Scuttlebutt e-mailed to an additional address (ie. work, home, your personal account instead of reading from your spouses e-mail!) send Dan or Rick an e-mail with the additional e-mail addresses and we'll be sure to add them.

Scioto Spotlight – Shirley Doherty

This month's "Member Spotlight" is on Shirley Doherty. Shirley has been a member of the Scioto Model A Ford Club club since 1999, along with her husband Mike. The Doherty's have been married 43 years and are the parents of two children, Mike and Colleen. Shirley completed her Undergraduate Degree in Nursing from Syracuse University as well as her Masters Degree in Nursing from Wayne State University.

Shirley hails from a family of car lovers and truckers, thus growing up around cars. She prides herself in having helped her father with car projects, and to this day, enjoys working on her Model A.

Speaking of Model A's, Shirley and Mike own a beautiful 1931 Deluxe Roadster. A unique fact about this car is that it belonged to Shirley's father. Fond memories every time its driven! Shirley says that one old car is plenty with maintenance and yearly tours. In fact, Shirley and Mike try to participate in 3 to 4 national tours every year. To date, they've toured 26 states plus Canada on three different occasions. Shirley participated in her first Glidden Tour in 1965.

The next time you have a chance, chat with Shirley and Mike about their tour adventures and check out their '31. Many great stories and lot's of technical advice that we can all use!

Below is a note from John Moore, our Arthritis Foundation Committee member. Please contact John (e-mail: johnjackiemoore@aol.com or call 614-395-4807) with any questions.

ARTHRITIS FOUNDATION AUTO SHOW – July 10th thru 12th.

Please mark your calendars, register your cars and bring your cars to the show as this is an annual event for our club. You can register now for the show by going on the web site www.ArthritisAutoShow.com or by calling Stephanie Perry at 614-503-5597. It may sound a little early to register but we have committed to have at least 35 cars at the show in exchange for getting a prime location in the show. If we don't get at least 35 cars, then next year we will not have a good location. We need every car we can get no matter what condition. The people come to see every car so condition doesn't matter. All money collected from the show benefits the arthritis Foundation in finding a cure for arthritis.

Thursday is the Rolling Legends Tour. Friday is the Cruise-in where 100 six foot trophies will be awarded and entertainment will be provided. Saturday is the Classic Auto Show and we need you there on this day. After the judging and awards, Phil Dirt and the Dozers will be the evening concert. We already have four cars registered (two from our club and two from Illinois) so again, please register early so we can get a count of cars. If you don't register, we will be contacting you. THANKS FOR YOUR SUPPORT.

Submission deadline for the Scuttlebutt is the 15th of the month.
