

The Scuttlebutt

The official publication of the Scioto Model A Ford 

May
2014 Officers:

President – Dan Bickley
Vice President – Chip Stout
Secretary – Ellis Kauffman
Treasurer – Jaci Rohner
Tech Dir/Newsletter Ed – Rick Lindner
Tour Director – Daric Galden
MARC Regional Director – Doug Jones
Sunshine Director – Karen Szakelyhidi

"A" note from the president:

Hello Everyone,

Touring Season Is officially here, the weather has turned into Spring, and I can hear birds chirping and Model A's humming. April was for the Club and we welcomed four new members to our ranks!!: Lloyd Moore, Blaine Conrad, Harry Spieker and Mike Duffey. Be sure to introduce yourself . They represent a variety of backgrounds with a profound interest in the Model A. A hearty welcome to all of you!

We started April with dinner at the Kissho in Reynoldsburg and Kathy and I found our new "favorite restaurant"! Then this past Thursday, Jaci and Steve Rohner arranged a tour of the OSU Football Stadium (the Shoe). Not only did the group learn a great deal about this iconic sports venue, but we went down on the field and got a feel for playing in front of 102,000+ avid fans. I think Ellis hit Monroe with a 92 yard touchdown pass!

We also had our two Spring Tune-ups with lot's of coffee, great donuts and story telling.....oh yes, some tuning up too. May looks busy as well with our Tech Meet being held at the Moore's. Tech subjects will include Doug Jones updating us on MARC, as well as Dean from Arrow Radiator covering radiator maintenance. John will present information from his visit to the MARC meeting in St. Louis, while Jackie and the ladies share salads for dinner. Be sure to check out the "Upcoming Events" section for a list of great events!!

Well, that's it for this month. Now let's start 'em up and hit the road!

All the Best,
Dan

Scioto Club Name Badges

Within the week we will be ordering new name badges for the Club. New members will receive a pin type badge for themselves (one or two) at no charge. Older members can have new badges for our cost, which should be somewhere near \$5. The thinking is we will have two options – a magnetic one and a pinned one. Let President Bickley, or myself know just how you want the badge made out. Thanks, Rick

Eastside Tune Up

The Tune Up went very well, hosted by The Bickley's on the east side and the Moore's on the west. No one lost a finger, however no donuts were saved either. This is a great way to get the old girl tuned up for the coming tour season. Always on hand are those willing to help – or at least tell you what you should be doing. Let's hope the snow is long gone and we can look forward to some sunny days for driving our old Fords.

Scioto Spotlight – Ellis Kauffman

Our Member Spotlight for the month of May is shining on Ellis Kauffman. Ellis joined the Club in 1992 and has served the Club in many officer positions, including president in 1997, as well as being our current Club secretary. Ellis and his wife Ellen have been married since 1952 and are the parents of Susan, Glenn and David. David being a current member and Club president in 2003. They have 4 grandchildren and 3 great grandchildren. Ellis served our country as a member of the United States Army, received his degree in Electrical Engineering from Purdue University and was employed by North American Aviation for 37 years. A proud owner of four collectible automobiles, you'll find that Ellis' collection consists of a Chrysler CN6 Rumble Seat Coupe (we won't hold that against him!), a 1930 Model A Cabriolet, a 1931 Model A Standard Fordor and a 1965 Mustang convertible. Ellis has distinguished himself as a volunteer for many auto related projects including the restoration of the Model T Firetruck on display at the Columbus Firehouse Museum. He's one of the best when it comes to diagnosing Model A mechanical and electrical issues. Thanks Ellis, for your service to our country and being a driving force in the success of our Club!

Ladies Driving Seminar – Saturday June 7th, 2014

Time: 9:30 am to 11:30 am

Location: Parking lot of the old JC Penney's Outlet in
Scarborough Blvd, Reynoldsburg.

Directions: Brice Rd exit at I-70. South on Brice, right on
Scarborough to the JC Penney building

Have your “designated chauffeur” drive you and your “A”
there, and they can go get coffee – or a drink!!

I hope you will learn:

A bit about the workings of the Model A Ford

Learn the shift pattern and practice

How to start the Ford

Have a short, or long driving course around the lot.

Then after working up an appetite, go to lunch. Maybe you
can drive!!
