Hello Everyone,

September sure started out as a busy time for everyone in the Club! Our final First Saturday Breakfast for 2014 was held on the 6th. At the same time, several of us made our way to Dearborn for the Old Car Festival at Greenfield Village. Many thanks to Rick Lindner for a tour of historical Ford sites in Detroit on Friday the 5th. No sooner than we returned to Ohio, did we have the September Tech Meeting at Steve and Jaci Rohner's. Great hospitality and food, followed by Jaci's Old Car Festival update. Then with the assistance of Ellis, Jaci conducted the technical portion of the meeting, demonstrating her soon-to-be patented alternative gas cap system.

Saturday, found 32 of us, as well as a dozen Model A's, at the International Model A Day Picnic in Sharon Woods. Kudos to Chip, Sharon and Henry Stout for organizing and hosting this event. Major food items were donated by Skip Apple.....thanks so much Skip! You're a lifesaver! We also got to see Tilor Teagarden's prowess with hotdogs and burgers....a new career may be in Tilors future!

First Saturday Breakfast for 2014 was held on the 6th. At the same time,

The Bean Dinner on Sunday was A1 as usual. The hospitality of the Southern A's is the best and the beans and homemade foods make you proud to be an American. As many of you know, Don Mink had an accident with his tractor and was unable to join us. Keep Don in your thoughts and prayers as he recovers. We missed you old friend!

In terms of upcoming events, the next Tech Meeting is at my barn. Be sure and bring a chair as well as your appetite. Kathy has something good to eat planned, and as you all know, I've not lost weight the past 48 years from her cooking! We'll be visited by Dave Diever, who has tons of original Model A parts for sale, and Mark Hagans will cover antique vehicle appraising as well.

Mike and Shirley Doherty are leading October's tour (Fun on the Farm) on Saturday the 4th. Looks like a great tour, ending at Monroe and Roseann Harbage's farm. Please refer below. Our November Tech Meeting will be at Rick Lindner's Ford Garage, where Chip Stout will present his list of officer candidates for 2015 and Shirley will cover the History of the Automobile.

Don't forget our annual Christmas Party on December 7th. Details are listed later in this edition.
All the Best,

Dan October, 2014

Jaci Rohner

Our Spotlight Member for the month of October is Jaci Rohner. Jaci and Steve have been married for 41 years and are the parents of two children, Eric and Becca, as well as the grandparents of three wonderful grandchildren (1 boy and 2 girls).

Having graduated from Westerville South High School, Jaci spent 28 years working for the Jefferson Local School District as the secretary for the Transportation Department and the School Bus Drivers. Having retired, Jaci currently is a substitute school bus driver for the District and loves it.

Jaci currently serves as the Club Treasurer and will continue in that position next year. She and Steve have been members of the Club for many years and are the proud owners of a 1930 Tudor Model A (known as the "Other Woman") for 35 years. Jaci says that 10 minutes after meeting Steve for the first time, she got her first ride in a Model A. What a great way to start a relationship!

In terms of interests and hobbies, Jaci is an avid walker and Letterboxer. She and Steve enjoy traveling whenever possible, but particularly enjoy those special times when they can be with their family.

Thanks Jaci for your work as Club Treasurer and especially your interest in preserving the legacy of "Henry's Baby".

Christmas Party

- The 2014 Scioto Model A Club Christmas Party is going to be held on December 7th from 1:00 PM - 5:00 PM at the Clintonville Woman's Club, located at 3951 North High Street in Columbus.

The three menu selections are as follows:

1. Boneless Short Ribs.....Black Angus boneless beef braised short ribs served with garlic mashed potatoes.
2. Chicken Florentine.....Chicken stuffed with a blend of spinach, rice and cheese served with seasonal vegetables.
3. Parmesan Crusted Tilapia.....Poached in white wine with lemon dill aioli sauce, served with steamed couscous.

All meals are served with a luncheon salad and dessert for \$20.00 per person. This represents a \$10.00 per person savings from last year.

Call or email Dan Bickley with your selection(s) no later than Wednesday, November 26.

Phone: (614) 460-0419

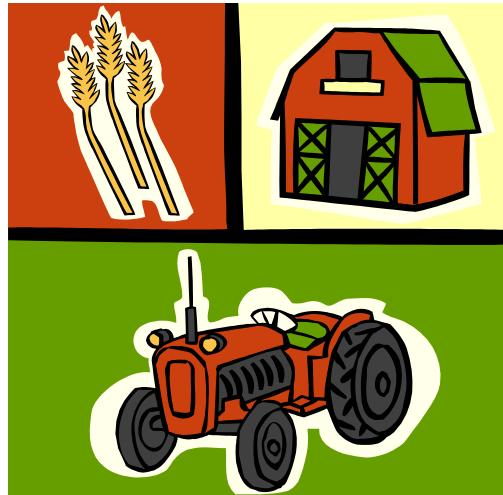

Email: Bowser47@yahoo.com

Looking forward to seeing you there!

Upcoming Events for October and November

October 1 - Dan and Kathy Bickley Tech Meeting

We will enjoy two speakers, lots of good food, and friends at the Bickley compound. Be sure to bring a chair for an interesting meeting. Call Dan at 614 460-0419 for info.

Saturday – October 4th – Mike and Shirley Farm Tour

All are invited to go with the “Traveling Doherty’s” for breakfast and a “Farm Day” at the Harbage Farm. If you have any apples, bring them and an empty jug, for Monroe and Roseann will be making cider. Great fun for the kids or grandkids to see what farm life is about – or at least the fun part of it. Call Shirley at 614 286-4087 for info.

Tech Meeting – November 5th – Rick Lindner's Ford Garage 259 East Tompkins Street, Columbus, OH 43202

Please come and learn about the history of the automobile presented by Shirley Doherty. Refreshments provided. Call Rick at 614 263-3673 (FORD). Ford Garage to open at 6pm.

Scioto October Fun – Don Mink’s Bean Dinner

It was a wonderful sunny day, the only cloud being our host – Don Mink – was in the hospital from a tractor injury clearing weeds so that we might have a place to park. He was greatly missed and has been making good progress towards a complete recovery. Like a Model “A” only running on three cylinders - Don we really, really missed you.

However, everyone enjoyed themselves with plenty of homemade food, a band to listen to, and of course that delicious bean soup.

Model “A” Day Picnic

We had a nice turnout for the picnic. Many thanks to Skip Apple, the Stouts, and Tyler for his cooking skills

Member of the Month – Jaci Rohner – Demonstrating how you can use aluminum foil and a rubber band as a substitute for the gas cap you left at the station. Now you know why she is the Treasurer!!
