Vice President	Monroe Harbage
Secretary	Ellis Kauffman
Treasurer	Jaci Rohner
Technical Director	Rick Lindner
Tour Director	Steve Rohner
Sunshine Director	Karen Szakelyhidi
Newsletter Editor	Shirley Doherty

“A” Note from the President

Well, with summer behind us, our touring season is starting to wind down.

We have had a lot of fun, but after a whirlwind of activity in September, I know my car will be glad for a bit of a breather.

Don't put your cars away for winter just yet. Monroe has a hayride and cookout planned in October, and I'm sure we will be participating in the Veterans' Day parade.

Also, please remember to reserve your seat on our Christmas bus to Wheeling. There are 36 seats remaining. Don't miss out, it's going to be a lot of fun.

See you soon.

John

Tech Meeting

Date: October 12th

Time: 7pm

Hosted by Dan and Kathy Bickley

12805 Gorsuch Rd.

Galena, Ohio 43021

No topic available at this time.

Food Will be available. Bring a chair. Reserved parking for Model 'A's in the front row of the lawn.

October Fun on the Farm

Date: October 15th

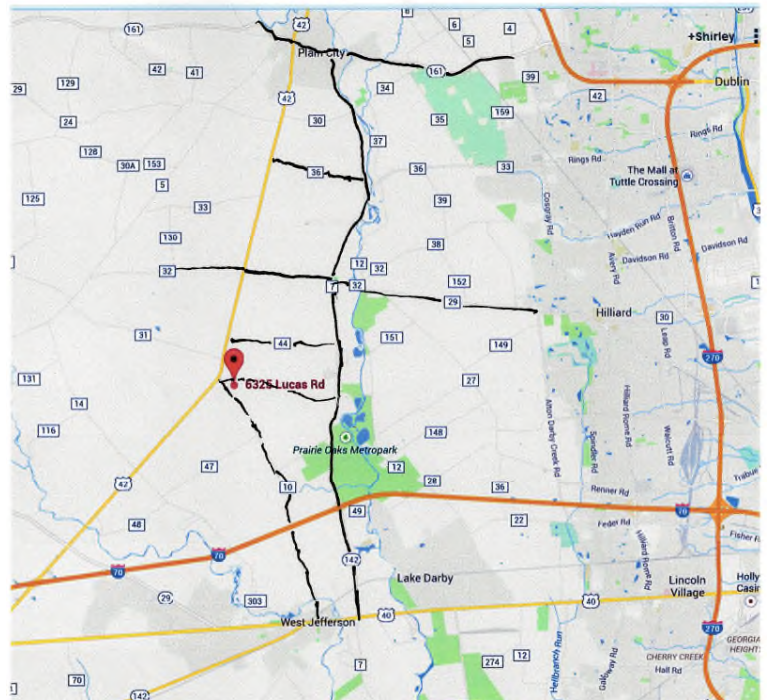

Time: 6pm

Place: Harbage farm 6325 Lucas Pike NE
Plain City, Ohio 43064

Activity: for a Hay ride and cookout. Hosted by Monroe and Roseann Harbage
Please bring a small covered dish to share.
Roseann and Monroe will provide the meat.

Monroe will also be making apple cider., so please bring a small bag of apples. There will be none to take home this year.

You are encouraged to bring the kids/grand kids to see how cider is made, take a hayride at dusk, and maybe, ride in a donkey cart.

Calendar

- November 2 Club Dinner and Election of officers, Grove City
Area tba
- November 4 Veterans Day Parade downtown Columbus.
- November 19 Underground Railroad Museum Tour Cincinnati—
Modern cars
- December 3 Christmas Party is a Bus Tour to the Oglebay Festival of Lights in Wheeling WV

Christmas Party Details

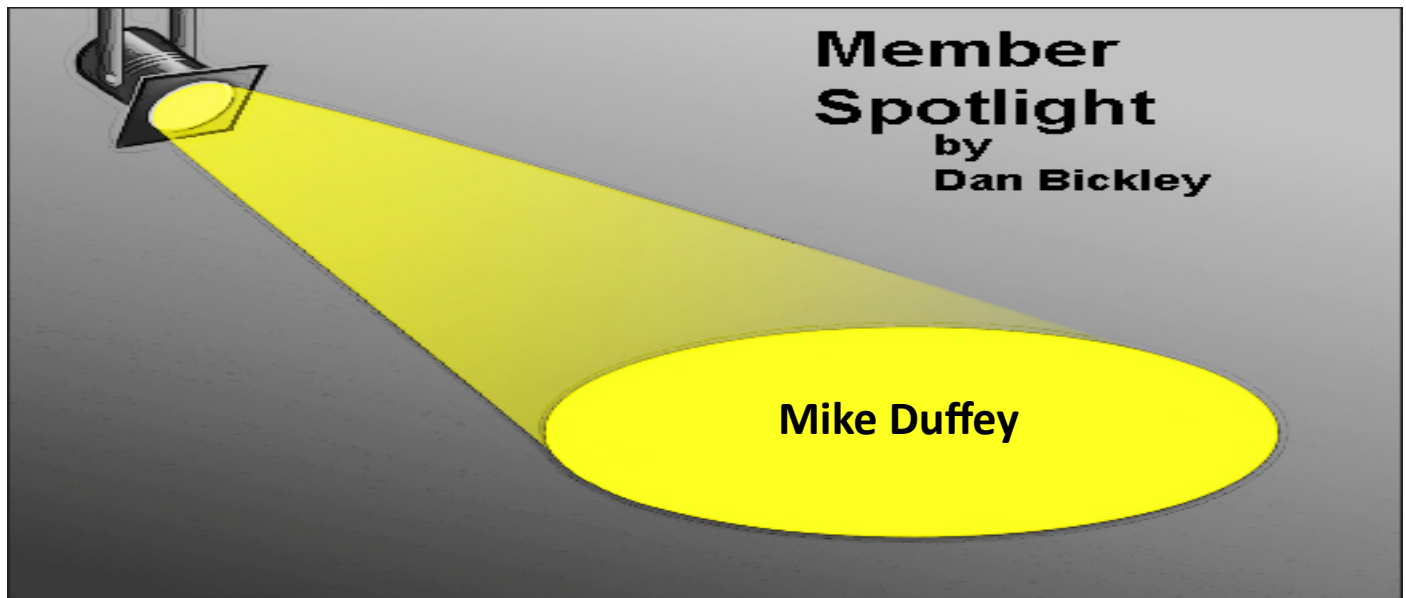

This year's Christmas Party will be held Saturday December 3rd.

We will be travelling via chartered bus to Wheeling West Virginia to visit the Oglebay Festival of Lights. Our trip will depart from the Walmart on Taylor Road and Route 256 in Reynoldsburg at 3pm. We will enjoy an included dinner at the River City Ale Works in downtown Wheeling. After dinner, we will have a narrated tour of the Oglebay Festival of Lights. This is a 6 mile drive through a scenic city park and golf course decorated with millions of Christmas lights. Some of the displays are more than 60 feet wide.

We will also have an opportunity to visit the shops at Oglebay, for a chance to pick up some stocking stuffers. We anticipate arriving back in Reynoldsburg at about 11pm.

The price for the trip, including transportation, dinner, and admission to the festival of lights is \$30/person. Space is limited, your seat is only reserved with payment in full. Payment in full is required by November 1st. Please send your payment for reservation to Jaci Rohner, or see Jaci at one of our upcoming events. Don't miss out, reserve your space now.

Broken lights may be cemented together by a mixture of three parts of alcohol and four of ether.. The torn edges are painted until the material softens; they are then pressed together and the pressure allowed to remain for at least 24 hours. By lowering the top, it becomes a simple matter to apply the pressure required.

October is here and the election draws close. There's no better time to aim the spotlight on Scioto Model 'A' Ford Club member and State Representative, Mike Duffey. Having joined our Club in 2013, Mike is the proud owner of a 1929 AA truck that he uses for parades and Sunday drives for ice cream. Mike says that if it wasn't for all the mentoring and assistance from Rick Lindner, his '29 wouldn't be seeing all the miles he's put on it.

Mike and his wife Lindsey are the proud parents of Jack, 6... a first grader, and Annie, 4... who is attending pre-school. Oh, and don't forget Cocoa, the family pooch! A graduate of Thomas Worthington High School, Mike went onto that "School up North" (yes, I'm talking about Michigan!) and earned a degree in Political Science. This was followed by Law School at THE OHIO STATE UNIVERSITY.

Mike's career began as a press corps reporter at the Statehouse for two years. Next, he did an 8 year position with Henson Ltd, a public relations firm that handled Net Jets, Giant Eagle and Peletonia, just to name a few.

During this time Mike began to see the need to "Do something bigger than myself." He began his venture into politics, winning a seat on the Worthington City Council in 2005 and again in 2009. By 2010, Mike won election as the State Representative for the 21st District. His interest in politics comes honestly, as his grandfather was a Congressman in the 1930's and was a part of FDR's New Deal.

I suggest you take a moment to chat with Mike at a Tech Meeting or event, as he has authored and/or sponsored several bills in the Ohio House aimed at enhancing all our lives.

I honestly don't have the room to highlight all the programs Mike has been involved in since jumping into politics, but suffice it to say, Mike represents his constituents well. Thanks Mike for all your hard work and for sharing your beautiful 'AA' with the Club.
