The Chief's Corner

Hello Everyone!

As we enter into December, all I can say is "WOW", what a year it has been. Looking back at our schedule for 2019, our club has officially done 10 tours, 5 events, 4 dinner meetings, 5 tech meets and 1 auction. And we still haven't had our Christmas Party yet! Best of all, the attendance at all of our dinner meetings, tech meets, tours and events has been up for the entire year. We have also added a record number of new members in 2019. The last count that I have received was 13 new members for the year. Our club is growing and our members are participating more than in the past. Financially speaking, our club is rock solid as well. This is all great news for the future of the Scioto Model "A" Ford Club.

I would like to take this opportunity to thank those of you that led us on those great tours this year, hosted our meetings and tune-up days at your homes and garages, supplied food and drinks for those meetings and made the arrangements for our Sweetheart Luncheon, dinner meetings and our upcoming Christmas Party. I also want to thank all of you that donated items to our club and participated in our raffles to help the club raise money. Without all of you, we would not have a club.

I want to give a big "THANK YOU" to my fellow club officers this year as well. Jaci, you have done an excellent job of keeping our finances in order for another year. Dan, as you step down from the secretary position, the club thanks you for all of your hard work and dedication over the past two years. Keeping track of everyone's contact information, mileage and points earned as well as taking minutes at the meetings is no easy task. You've done a great job! And finally, Harry, you have been a great vice president and I'm confident that you will make an even better president. I wish you and your new team of officers nothing but the best as you move into next year.

Finally, I would like to thank all of the membership for allowing me to serve as your president over the past year. I have truly enjoyed the experience as well as getting to know many of you personally.

It's been a great ride!

Allan

As many of you already know, a family of the Scioto Model "A" Ford Club, Chip and Sharon Stout, lost their son Henry at the age of 19 in a tragic accident this past summer. The Officers of the club have decided to honor Henry's memory by making a donation to a charity in his name. After conferring with Chip and Sharon, their choice of charity is Joseph's Coat of Central Ohio. This organization provides coats and clothing for those in need. The Scioto Model "A" Ford Club will match all donations made by the membership between now and January 1st. If you wish to contribute, please send your check to:

VETERANS DAY PARADE

On the 8th of last month, our club did our final Model "A" event of the year. We went to downtown Columbus, Ohio and participated in the annual Veterans Day Parade. Although the weather was very cold, the sun was out and shining bright. We had 8 Model "A"s and 11 people participating in the parade. After exiting the parade route, we pulled our cars over and watched as the flag from Clark Garn's car was removed and properly folded. Then we hopped back into our Model "A"s and headed down to Plank's on South High Street for lunch. After enjoying some good food and fellowship, we headed home knowing that once again, our club had given the support and shown the respect that all of our veterans deserve.

"A" Word on Fashion

Afternoon and evening dress fashions were turned into 1930s wedding dresses. Informal light floral tea dresses with excessive ruffles and butterfly sleeves started off the 1930s. Next came the bias cut dress with a modest high neck, long sleeves and a floor length gown that had a fishtail train made of silk or shiny satin. They paired these with very long, lace trim veils cascading down the back to meet the church aisle. In the last few years, they took inspiration from the turn of the century using large mutton sleeves and a full skirt.

A typical 1930's wedding party.

Presenting
The
FLAPPER of the MONTH

This month we feature American actress Anita Page (born Anita Evelyn Pomares in 1910). She was referred to as "the girl with the most beautiful face in Hollywood" in the 1920's. She reportedly received the most fan mail of anyone on the MGM lot. Her first film for MGM was the 1928 comedy-drama "Telling the World". When her contract expired in 1933, she surprised Hollywood by announcing her retirement at the age of 23. She made one more movie in 1936 and then left the screen, virtually disappearing from Hollywood circles for sixty years. In 2004, she claimed that her refusal to meet demands for sexual favors by MGM's head of production is what truly ended her career. She said that Mayer colluded with the other studio bosses to ban her and other uncooperative actresses from finding work. Page returned to the screen in 1996 after sixty years of retirement and appeared in several low budget horror films. Page died on September 6, 2008 at her Los Angeles home at the age of 98.

We Have More New Members!

I would like to welcome Doug & Vicki Kilbourne, Todd & Lori Disbennett, Bernie & Helen Davis and Stan Snyder & Donna Howell. Doug & Vicki are from Circleville and have a 1930 Coupe. Todd & Lori are from Marysville and have a 1929 Tudor Sedan. Bernie & Helen just recently moved from out of state to Gahanna. They drive a 1930 Standard Coupe. Stan & Donna are from Springfield and have three 1931 Model "A"s. They are a Standard Roadster, Tudor Sedan and a Standard Coupe. I would like to personally welcome all of you to our club!

**WARMEST THOUGHTS AND BEST WISHES FOR A
WONDERFUL HOLIDAY AND A VERY HAPPY NEW YEAR.**
