This month's cover photo features one of the many vehicles squeezed into the Wagner Hagans Auto Museum that we toured last month. Although it is not a Model "A", it is named after one of the men that made the Model "A" possible.

The Chief's Corner

Hello Everyone!

February – the days are getting longer. I saw a robin in the front yard. I guess it thought spring must be here with all the unseasonably warm days we had at the beginning of January. The first club event of the new year at Hagan's car collection was a good time. Who knew license plates during World War II were made of soy beans! By now you should be aware that the Valentine's Sweetheart Luncheon venue has changed. It will be at Ann & Tony's Italian Restaurant in West Jefferson February 15th at 1:00. Weather permitting, you may see a couple Model A's in the parking lot. Watch for the latest revision 2020 Calendar of Events in upcoming newsletters. Changes will be made as needed with input from members.

Be safe.

See you down the road!

Harry

Thank You

A couple longtime members of our club, Chip and Sharon Stout, tragically lost their 19 year old son Henry to a drowning accident this past summer at Lake Erie. During the month of December, the club was accepting donations to give to a local charity in his memory. After conferring with Chip and Sharon, they asked that the donation be given to Joseph's Coat. They said that was one of Henry's favorite charities. Joseph's Coat offers free clothing, furniture and household items to families in need. The club matched all donations received from the membership in December and was able to make a combined total donation of \$750.00 to Joseph's Coat. Thanks to all of you for helping the Scioto Model "A" Ford Club make this donation in Henry's memory possible.

New Year's Eve

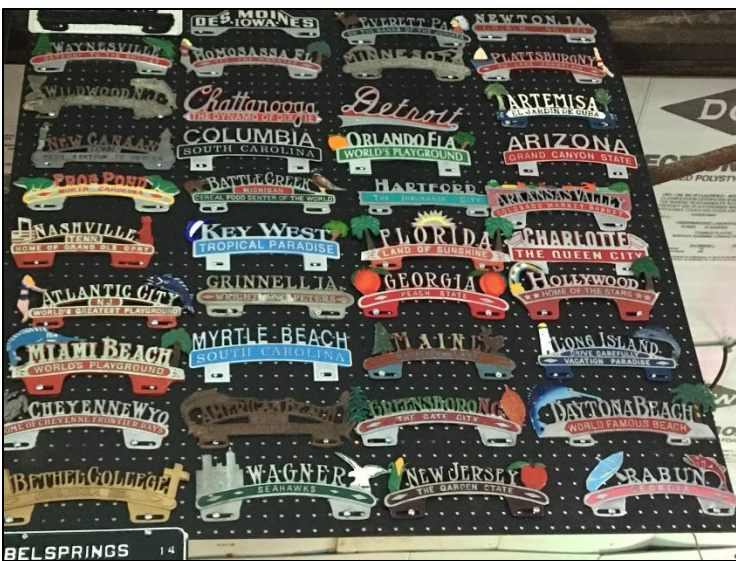

Club member Rick Lindner got the call to help with the New Year's Eve party at the Eldorado / Scioto Downs casino this year. They were planning to do a "Roaring Twenties" theme party for the evening. Of course they wanted a car or two to set the stage. Rick was more than happy to supply them with two beautiful Fords for the event. Rick said the only problem was that people kept asking if the cars were going to be given away as door prizes during the evening. Good job Rick!

Wagner Hagans Auto Museum

On January 18th, the Scioto Model “A” Ford Club got the opportunity to tour the Wagner Hagans Auto Museum in German Village. Although it was cold and rainy that day, we had a great turn-out with around 30 members present. After touring the museum, we headed down the street to Plank’s on South High for a good meal. A big “Thank You” goes out to Dan Bickley for setting everything up for us and kicking off the new year with a good tour.

BACKYARD TECH TIP

Setting Rotor / Distributor Gap

1. Put on the parking brake, place the gear shift lever in the neutral position and use the hand crank to rotate the motor.
2. Check the rotor at all four distributor contact points. The gap should be .025

The fix:

Bend the rotor and/or file the contacts on the distributor housing.

Hoosier Model "A" Club

"A" Word on Fashion

A woman would not wear her housedress out of the house. To shop, run errands, attend a tea, or see a matinee; she would need a smart afternoon or day dress. Often referred to as "city," "metropolitan," or "town tailored", these dresses were usually silk or rayon crepe, not cotton. They stuck with the standard silhouette and classic '30s features: puff sleeves, belted waists and large yokes and collars.

Presenting
The
FLAPPER of the **MONTH**

This month we feature silent film actress Mae Murray. Mae was born in New York City in 1885. She began acting on Broadway in 1906. In 1908, she joined the Ziegfeld Follies and became a headliner in 1915. She made her motion picture debut in 1916. She became a major star at Universal. The crucial blow to her film career occurred in 1926 while working for MGM Studios. Her fourth husband advised her to walk out of her contract, upsetting studio boss Louis B. Mayer. Later, she pleaded to return, but he refused to rehire her and she was blacklisted from working for any Hollywood studio. At her career peak, Mae, along with Cecil B. DeMille, Douglas Fairbanks, Harold Lloyd and Hal Roach was a member of the board of trustees at the Motion Picture & Television Fund – a charitable organization that offers assistance and care to those in the motion picture and television industries without resources. Four decades later, Murray herself received aid from that organization. For most of her later life, she lived in poverty. Mae Murray died in 1965 at the age of 79.
