Hello Everyone!

Winter is winding down. I was out on our deck over the weekend with our dog, Bentley, and you could sense a change in the air. There are more birds and they are starting to communicate with one another. Spring must be just around the corner.

We had our 1st Tech meet of the year at Rick Lindner's "Ford Garage". Thanks to Bill Minor, those attending now know a lot about automotive glass. The Southside Dinner & Meeting at Station House 81 in Commercial Point on March 4th will be the next event. Guest speaker – Liz Martin will be telling us all about the really big June 27th Arthritis Benefit Car Show. "Great Cars, Great Cause"

The "A" covers will be coming off soon!

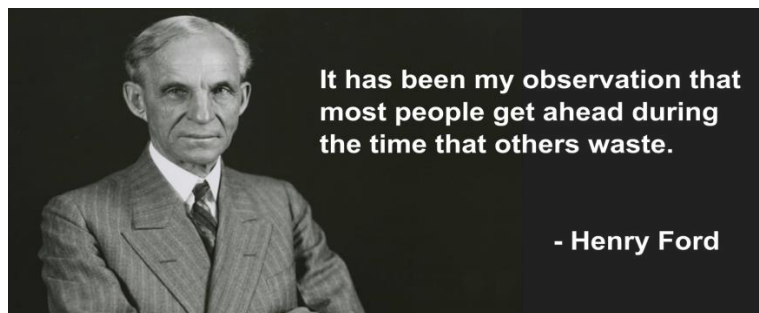

Be Safe.

See you on down the road!

Harry

Our Next Meeting

DATE: March 4th, 2020
TIME: 7:00 pm
PLACE: Station House 81
LOCATION: 11 Front Street
Commercial Point, Ohio
TOPIC: Arthritis Benefit Car Show

DIRECTIONS:

1. Take I-270 around to the south side to Exit 52 (Route 23).
2. Take Route 23 south for 7 miles to State Route 762.
3. Go west on State Route 762 for 4 miles to Commercial Point.
4. Once in town, turn right on Front Street.
5. Station House 81 will be on your left.

2020 Maple Fest at Camp Lazarus

On Saturday, March 14, the Scioto Model "A" Ford Club will be getting together at Camp Lazarus for the 2020 Maple Fest. We will meet at 9:30 at the Camp Lazarus Dining Hall. You will need to park at the Columbus State Community College's Delaware Campus and take the free shuttle over to the Maple Fest. The Campus is located at 5100 Cornerstone Drive in Delaware, Ohio. To get to the Campus, take I-270 around to the north side to State Route 23. Take Route 23 north for 7 miles to Grief Parkway. Go west on Greif Parkway to Cornerstone Drive. That will take you to the parking lot where you can catch the shuttle bus.

Admission to the Maple Fest is \$10 per person and allows you to visit their pioneer areas where you can learn about pioneer tools, watch a blacksmith make nails, try your hand at branding, rope making and other skills. You can also stop by the Adam Mullins Sugar Shack, meet the syrup makers and learn how they make maple syrup. The Dining Hall will be offering a \$5 Special Pancake Feast featuring pancakes, maple syrup, sausage links and drinks, so be sure to come hungry!

FROM THE DESK OF

Pat Liston

SECRETARY

Secretary's Report for February

Our Meeting on Feb. 5 had a good turn-out with 25 members, (Including the 3-4 that joined that night). The Minor's provided a tasty spread with shredded chicken sandwiches, green bean casserole, chips, several different types of cookies, pop and water. Thank You Bill and Winnie. Very well done.

President Spieker introduced our new and returning officers as he opened the meeting. He thanked Rick Lindner for allowing us to use his Garage for our meeting. He then reviewed our Trustees for the next Two Years and our Appointed Directors. He thanked them for their commitment to our club.

Secretary's Report: Secretary Liston spoke about the Marc Mileage Program. She explained that those who are Marc Members and were not listed in the Feb Newsletter needs to let her know so they can be included in the report that goes out at the end of Feb. to Dick Fisher who runs the Marc Mileage Program. She had two people ask her to check into their activity because they are members. She has done that and supplied the information that needs to be completed before they could be included for this year's awards. If there are any others, please contact her. (464500@msn.com)

Treasurer's Report: Treasurer Rohner reported that we started out with a beginning balance of \$4102.00. We received \$350 in membership fees and spent \$750 as a donation to the Joseph's Coat of Central Ohio in memory of Henry Stout who passed away this past summer. Henry Stout is the 19 year of son of Chip and Sharon Stout. She thanked the members for their contributions to this cause, it is greatly appreciated. That left us with an ending balance of \$3702.

Sunshine Report: Mike Doherty is in hospices. Also, Virgial Gilmer fell just before Christmas and fractured his hip. It is not broken but he is in pain.

New Business: Our next event was the Sweetheart Luncheon Feb. 15. Which was from 1-4 PM at Ann & Tony's Italian Restaurant located at 211 E. Main Street, West Jefferson. We had a very lovely dinner, food was great, company was good, we had about 30 people who attended. The day was a little cold, but the sun was out and made it feel warmer than it really was. Steve Rohner even drove his Model "A" to the dinner.

On March 4 we will have our Southside Dinner Meeting in Commercial Point at the Station House 81, located at 11 Front St, Commercial Point, with Guest Speaker Liz Martin.

On March 14th, we have an Event (modern car) scheduled to the Boy Scouts Maple Syrup Festival in Delaware. We will be parking at the Community College Parking lot (5100 Cornerstone Dr, Delaware, OH). They will have a free shuttle from the parking lot to the camp. The Camp is at 4422 Columbus Pike Delaware, OH 43015. There is a \$10 admission fee. It is used to help keep the camp in good working condition. The event has a Pancake Breakfast. We will meet there around 9:30 AM. They will show us how to make Maple Syrup new and old ways. There is also a Pioneer Village.

President Spieker asked Dick Liston to make arrangements with Milano's Restaurant on Main Street for our May 6th Eastside Dinner Meeting. He also needs to confirm Bill Damewood for the May 16th Tour to Springfield Antique Center. He informed the members that we still need a leader for our Waco/Ford Joint Meet in Mt. Vernon on June 25.

Meeting Topic: Club member Bill Minor gave a vey interesting talk about "Glass for the Model A". He explained about the different types of glass that were used, what is still available and what is no longer available. He gave us a lot of history about how the glass was made and what it was made of. He gave a lot of specific specs for different cars, trucks, cabs, Limo's etc.... He spoke very highly about the Vintage Glass Company. He explained what they are able to do to replace the glass you may need. He also explained why a lot of us have problems raising and lowering our door windows. We never suspected such a small thing could make such a big difference. If you need to know anything about glass for your Model "A", please give Bill Minor a call. He can educate you about your problem.

Sweetheart Luncheon

Last month, on February 15th, the Scioto Model "A" Ford Club had their annual Sweetheart Luncheon. This year, the luncheon was held in West Jefferson, Ohio at Ann & Tony's Italian Restaurant. We had around 30 members participate. Everyone was treated to some great food and a wonderful time. The arrangements for the luncheon were made by Clark Garn. *Good job Clark!*

BACKYARD TECH TIP

CASTLE NUTS AND COTTER PINS

The picture is an example of a rear motor mount bolt, but the same thing will work on any bolts where it is difficult to see the cotter pin hole with the castle nut installed. Scribe a line across the end of the bolt before assembly to help “line up” the castle nut for that darn cotter pin.

Dave Westenberger
Colonial Virginia Model “A” Club

“A” Word on Fashion

The ideal '30s woman was tall and slender with a very small waist and narrow hips, but since most women were not blessed with slim hips and narrow waists, shoulders were exaggerated with puff sleeves, shoulder pads, large collars, and “caplet,” “butterfly” or ruffled cap sleeves, which made waists and hips appear smaller in comparison. 1930s lingerie also helped shape women into slender tubes with a defined bust. Most sales ads and catalogs featured artistically drawn women who were three times as tall and thin as any real woman could be. The ideal silhouette was anything but realistic.

VintageDancer.com

Lastix Corselets helped women achieve the look that they desired in the 1930's.

Presenting

The

FLAPPER of the MONTH

This month we feature silent film actress Marion Davies. Marion was born on January 3, 1897 in Brooklyn, New York. At age 13, Marion made her stage debut as a chorus girl and first appeared on Broadway in 1914. She continued to appear in shows until 1917, when 54-year-old publishing magnate William Randolph Hearst noticed her in the chorus line of The Ziegfeld Follies. Hearst was a married man, but he and Davies began a relationship that lasted until his death in 1951. According to his obituary, Hearst spent \$7 million promoting her career. Davies made her film debut in 1917 and her first Hearst-supported movie in 1918. Davies was cast in dramatic roles but was much more successful in comic films. She made her first talking movie in 1929 and later appeared with Clark Gable and Bing Crosby. She made her last film in 1937. Davies died of cancer in 1961. Thirty-two years later, upon the death of a woman thought to have been Davies's niece, the family revealed that she was in fact a child of Davies and Hearst.

The
