At the conclusion of the parade, we will be driving down to Plank's on South High Street for lunch.

Please plan to join us as our club will proudly honor the service of our veteran's and salute those currently serving in the military. In addition, we wish to offer a warm welcome to all of the troops who have bravely served our country in the Fight for Freedom since the attacks on September 11, 2001.

The theme this year is to welcome home the troops of Operation Enduring Freedom, Operation Iraqi Freedom and Operation New Dawn. The grand marshal for this year's parade is Lt. General Ferriter.

Be sure to mark this date on your calendar and plan to attend. We need as many Model "A"s as possible in this year's parade. We want to show the City of Columbus that the Scioto Model "A" Ford Club proudly supports the fighting men and women of this great country!

SECRETARY

Secretary's Report for September

Our meeting on October 9th at Monroe Harbage's Farm went well. President Clark Garn thanked everyone for coming. He then thanked Monroe for the use of his barn. The weather was great, the food was good, and the fellowship was outstanding. We had twenty-three members attend. We also had a person attend who became a member at our meeting. Thank you, Monroe, for the use of your space and the hotdogs and beans. Everyone had a fun time, and we appreciate it.

Pat Liston gave the treasure report. She also reminded everyone to have their miles turned in to her by November 10th for awards. That includes those who signed up with MARC for award miles. She also reminded everyone that their dues are due by December 31st. You can mail your dues to Pat Liston, 751 South State Route 605, Sunbury, Ohio 43074.

President Garn spoke about the Fall Foliage Tour that was held on October 16th. Another enjoyable day and beautiful weather. Thank you, Bill and Winnie Minor, for that rambling ride. We were able to see and enjoy the great countryside. We had lunch at the Ridge Inn. We also stopped across the street for cider and apples before heading home again. But first, we had to stop for ice cream. The place Bill planned for us to stop at was closed due to power lines being down at the time. But we soon found another place just down the road a little way, which made everything great.

President Garn then reminded everyone that our next meeting will be November 3rd at 7:00 p.m. The meeting will be held at Station House 81 in Commercial Point, Ohio. The address is 11 Front Street, Commercial Point, Ohio 43116. We will be electing our 2022 officers at this meeting.

President Garn then moved on to officer nominations. He was happy to report that Our Vice President, Jaci Rohner, will become our President for 2022.

Pat Liston nominated Wayne Davis for Vice President. Harry Spieker seconded the nomination. There were no other nominations for the opening.

Dan Bickley nominated Pat Liston for Secretary. Bill Minor seconded the nomination. There were no other nominations for the opening.

Russ Packard nominated Spencer Creek for Treasurer. Dan Bickley seconded the nomination. There were no other nominations for the opening.

With that, President Garn ended the meeting and once again thanked everyone for coming.

Please check the calendar for upcoming events and activities. We look forward to seeing you.

FALL FOLIAGE TOUR

Last month, Bill & Winnie Minor led the club on our Fall Foliage Tour. We met on the south side of Columbus by the Rickenbacker Air National Guard Base. From there we headed south, driving down the winding back roads towards Laurelville, Ohio. Our first stop was in Laurelville to stretch our legs and grab a cup of coffee and some delicious doughnuts. After that, we drove around outside of Laurelville taking in the beautiful countryside. Then we made a stop at Bowers & Daughters to pick up some fresh apples and cider. Then it was time for lunch. We ate at The Ridge Inn at Laurelville. We had a delicious meal and great waitresses. They kept all of us entertained while we were there. As usual, no tour is complete without ice cream. So we headed up to Circleville and made a stop at the Dairy Shed on our way home. Although we had a small group participating in the tour, we had a wonderful time and lots of fun. The weather cooperated and it turned out to be a typical fall day in Ohio. A big "Thank You" goes out to Bill & Winnie for leading us on our final tour of the season.

BACKYARD TECH TIP

LEAD OR NO LEAD?

It is not necessary to add lead to the gas or use hi-test gas. This is a low compression (4.2:1) low hp (40 hp) engine without hardened valve seats and weak by today's standard valve springs. At an engine rebuild, hardened seats can be added if desired or warranted by valve seat wear.

"A" Word on Fashion

After the shock of the First World War, the collective humanity in Europe and the Americas ushered in the 1920s with much abandon, seeking more fun and freedom. This was reflected in the 20s styles which are aptly captured by the quintessential lively young lady in a knee-length flapper, pump shoes and a cloche hat. Also known as the Roaring 20s or the Jazz Age, it is a decade that saw monumental changes in culture and fashion. Women had achieved a greater degree of freedom as they had been forced to take over many roles when men were off to the war. Ankle-length dresses and restrictive corsets were dumped for looser fitting garments which showed more skin. For men, it was a decade of self-recovery, as many tried to find their footing again after the war. Flashier suits and shoes for those who could afford them were to be had, as well as fancier footwear.

Presenting

The

FLAPPER of the MONTH

This month we feature Norma Talmadge. Norma was born in 1895 in Jersey City. She was the daughter of an unemployed alcoholic and his wife. Her father left the family on Christmas Day. Her mother took in laundry to help make ends meet. By the time Norma was 14 she took up modeling. She was successful enough that she attracted the attention of studio chiefs in New York City. She appeared in her first film in 1910. By 1913, she was Vitagraph's most promising young actress. In 1915, Norma and her mother left for California. Over the following eight months, Norma made seven feature films and a few shorts. After her contract ran out, the family returned to the East Coast. In 1916 she met and married producer and businessman Joseph Schenck. With his backing, they formed their own production company and turned out a number of successful films. In 1920, the production company moved to Hollywood. In 1923, Norma was making \$10,000 a week. By 1928, Norma's popularity had begun to fade. Norma's voice did not lend itself to "talkies" and she was out of work. She divorced Schenck and remarried, but her career was over. Between Schenck and her mother's watchful eye, Norma amassed a huge fortune and never wanted for money. After suffering a series of strokes in 1957, Norma died of pneumonia on Christmas Eve of that year. At the time of her death, her estate was valued at more than one million dollars.
