Happy Holidays Everyone!

As this year comes to a rapid close, I reflect on all of the wonderful memories that were made. We traveled all around and got to see many beautiful sights. We took our first overnight tour in many, many years. We learned a lot about our cars, made many new friendships, were able to enjoy many meals around the table... and of course, topped every tour off with ice cream!

I'd like to thank everyone for your awesome support this year. Everyone has been so wonderful and we all worked together to make it such a success.

I look forward to next year with the leadership of Wayne Davis and the Board. I wish you all the best...there are some great times ahead folks!

So, I guess it's finally time to shut the garage door on 2022, EXCEPT for our annual Christmas Party on December 3rd.

Thank you again to the membership for allowing me to serve as your President, I have thoroughly enjoyed it! See you on the road again in 2023!

Ahooga!

Jaci

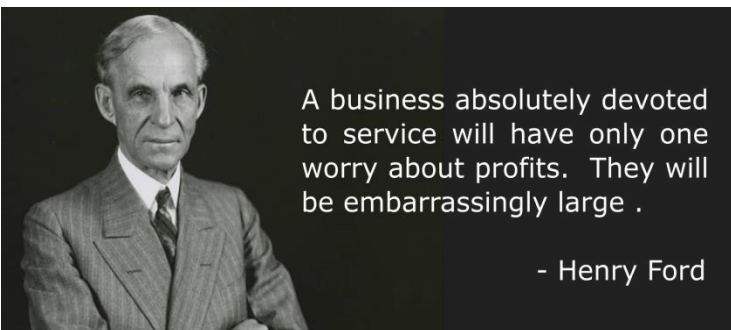

December Birthdays

Nick Bova

Shirley Doherty

Roseann Harbage

Barbara Marshall

A business absolutely devoted to service will have only one worry about profits. They will be embarrassingly large .

- Henry Ford

Your Dues Are Due!

It's time to pay your 2023 club dues. The dues are \$25 for the entire year. You may pay your dues at the Christmas Party or you can mail them directly to our secretary. Please submit your check payable to:

Scioto Model "A" Ford Club
751 South State Route 605
Sunbury, Ohio 43074

If you have any questions or concerns about your dues, please email Pat Liston at:

patliston@outlook.com

Our Next Meeting

DATE: January 18, 2023

TIME: 7:00 pm

PLACE: Rick Lindner's Garage

LOCATION: 259 East Tompkins
Columbus, Ohio

DIRECTIONS:

1. Take I-71 to Exit 112.
2. Go West on Hudson Street to Summit Street.
3. Go South on Summit Street to Thompkins Street.

grammybickley@yahoo.com

Thank You

The Scioto Model "A" Ford Club would like to thank Dave Graney for donating a few Ford wrenches & mugs. These items were used as prizes during our raffle at the October Tech Meet. Thanks Dave!

Did you know that the Scioto Model "A" Club has a Facebook page? It is a closed group, so only our members may view the page. If you would like to see what's going on, just log on to Facebook and go to the Scioto Model A Club. Once there, click on "Join the Group". After the moderator of our group approves your membership, Facebook sends you a notification of the approval and group posts immediately begin to appear in your news feed.

Secretary's Report for November

Our November 2nd meeting was at the Big Walnut Grill. President Jaci Rohner was not able to attend, so Vice President Wayne Davis hosted our meeting. He thanked Dan Bickley for handling the meeting arrangements. He then proceeded to share information about Jaci's parents. He said they would be returning home later next week. Jaci and Steve remain in our prayers and we hope all goes well for them.

Vice President Davis informed the membership that our next outing would be the Delaware Veteran's Day Parade. We are to be at the Fairgrounds by 2:00 p.m. to line up. He said our last tour went very well. We had vintage guides show us around the Slate Run Living Historical Farm and the Wagnall Library. We also had great weather. Everyone learned things and enjoyed themselves. He thanked Steve Rohner for hosting the tour. He reminded everyone that Steve can no longer serve as our Regional Director for Marc and asked if we could get someone to fill that position. No one volunteered, so we will be making phone calls to get that position filled.

Treasurer Spencer Cheek then gave his report. We have received some membership renewals and he has deposited the 50/50 raffle money from last month. There was also a bill for the Chief's trophy. Those were the only transactions for the month.

Secretary Pat Liston said that all the minutes for last month's meeting were in the newsletter that was just sent out. She decided not to read them, but instead, let everyone read them in the newsletter. She also said there was a cake this month for the birthdays in November and December.

(November Birthdays: Lisa Bova and Pat Liston, December Birthdays: Roseanne Harbage, Shirley Doherty, and Nick Bova)

There was no Sunshine report.

Vice President Davis gave us an update on the Christmas Party, which will be held on December 3rd. We hope you will join us this year. It will be held at the Granville Inn, located at 314 East Broadway, Granville, Ohio. Dinner is to start at noon, so please arrive between 11:30 a.m. and 12:00 noon. Granville will be celebrating their Christmas Holidays that day. The towns people will be dressed in their vintage 20 and 30's outfits, have music on the streets, and have other activities we can join in after our lunch. It sounds like a fun-filled day for all. The dinner will cost \$30 per person and there will be a prize for the best dressed vintage person attending. The club will be picking up the cost of the taxes and gratuity for the dinner.

Vice President Davis then moved on to the elections. He reminded everyone that at the October meeting, Spencer Cheek was nominated for Treasurer, Pat Liston was nominated for Secretary, and Jim Jones was nominated for Vice President. Since everyone was running unopposed, per the bylaws the election may be held by a show of hands instead of a secret ballot. Vice President Davis asked for a show of hands in favor of electing the nominees to their positions. All voting members were in favor and the nominees were elected. Thank you for your service to the club.

Vice President Davis informed the membership that there would be an auction on November 13th at club member Dick Luckhaupt's home. He said if anyone was interested in car parts or another auto, they should check out the auction. With that, the meeting was adjourned.

On November 6th we went to the Delaware Veteran's Parade. We had a beautiful day. There were six club members that joined in the parade. Thank you, Wayne Davis, Allan Goldhardt (and Sheri), Jim Jones, Rick Lindner, Dick Liston (and Pat), and Howard Turner (and his brother John and his wife). Howard had a little trouble with his car, but Allan, Jim and Wayne were able to get it fixed quickly so he was able to complete the parade. The people along the way clapped and cheered when they saw our cars, and everyone thanked us for being part of their Parade.

Have a Great Day!

MAFFI Newsletter Minute

Article by: Mike DuBreuil
Secretary, MAFFI

December 2022

The seasons are changing. Our friends living in Hickory Corners have settled in on their winter hours. While a good portion of the country is still wondering why anybody would ever want a snow blower, these people are wearing them out trying to clear paths around the Gilmore Campus for the hearty crowd braving the ice and snow to visit the museum. There are those who have packed their Model "A"s away for the winter, those who barely see a change in the seasons, and those in between who continue driving our "A"s, but cuss them because there is no heat, or the heat is dispensed on the wrong side of the vehicle. It is the holiday season.

Let's not forget this is also a giving season. The Model "A" Ford Foundation, Inc. draws revenue from several sources throughout the year. A popular source of this revenue is their memorial brick sales. This is a chance to preserve the memory of your club or one of its former members (current members for that matter) by having a brick cast in their memory in front of the Model "A" Ford Museum.

To help MAFFI grow, we are offering clubs a free brick for their help in signing up three new MAFFI Members. Three member applications, with their checks for \$25.00 each, and your FREE brick order should be sent in one envelope to:

July 30th – August 4th

2023 MARC National Meet, Hamilton, Ohio

VETERANS DAY PARADE

This year, the Scioto Model "A" Ford Club did something a little different for the Veterans Day Parade. Our club participated in the Delaware Veterans Day Parade instead of the usual Columbus parade. The parade was held last month on Sunday, November 6th. The weather couldn't have been any better. It was a warm, sunny day.

We had a little excitement with Howard Turner's Model "A". When the parade started and we went to move up in line, his "A" would not start. It would fire, but die. We decided there was dirt in the carburetor. We quickly swapped out his carburetor with another member's spare carburetor. Within minutes we were all back in line and ready to pull out onto the parade route. Another job well done by the Scioto Model "A" Ford Club Pit Crew!

There were many units in the parade and the route was lined with lots of people. We had six vehicles from our club participate. A big "Thank You" goes out to Steve Rohner for setting this up this fun day for all of us.

November Tech Meet

On November 2nd, the Scioto Model "A" Ford Club held a dinner meeting at the Big Walnut Grill in Sunbury, Ohio. We had 21 members & guests present for dinner. After enjoying a good meal, we all enjoyed some birthday cake furnished by Pat Liston. President Rohner was unable to attend the meeting, so the meeting was led by Vice President Davis. The November meeting is when the club holds the election for the 2023 club officers. Our officers for 2023 will be Wayne Davis – President, Jim Jones – Vice President, Pat Liston – Secretary, and Spencer Cheek – Treasurer. Congratulations to all of them! A big "Thank You" goes out to Dan & Kathy Bickley for making the arrangements with the Big Walnut Grill for our meeting. Our next Tech Meet will be held at 7:00 p.m. on January 18th at Rick Lindner's Ford Garage, located at 259 East Tompkins Street in Columbus. This will kick off our new year, so mark your calendars and plan to attend!

Wayne Davis

Article by: Dan Bickley
Scioto Model "A" Ford Club

The Club Spotlight for the month of December is shining on our incoming President, Wayne Davis. Wayne and Jill will be celebrating 55 years of marriage on December 28th, and are the proud parents of Brent, Nate and Sarah, as well as being the grandparents of eleven.

Originally from Canada, as well as spending four years in Ecuador, Wayne's parents settled in Rochester, New York where Wayne graduated from High School. Wayne then went on to earn degrees in Business Administration and Spanish from Houghton University in Houghton, New York.

Following graduation, Wayne taught Spanish for 7 years in Fillmore, New York. In 1977, the family moved to Ohio in order for Wayne to pursue a career in Long Term Care Administration. This move led to Wayne becoming the Executive Director of the Westminster Thurber Community in Columbus. Next, Wayne became the Regional Administrator with the Hillhaven Corporation. Wayne wrapped up his career spending 15 years as the Director of the Ohio Pythian Home in Springfield, Ohio.

While Wayne was pursuing his career, Jill stayed quite busy herself. Not only was she raising a family and running a household, but spent six years teaching Elementary Education. This endeavor was followed by working as a Bank Teller for several years. Jill is currently engaged in Pet Sitting.

In terms of the car hobby, Wayne has owned quite a number of collectibles, including: a 1927 Model "T" (now owned by son Nate), a 1930 Dodge Straight 8 Coupe, a 1930 Model "A" Coupe, a 1929 Model "A" Tudor, a 1931 Model "A" Deluxe Phaeton (quite a story behind this car!) and a 1931 Model "A" Victoria.

Other interests include collecting and restoring antique furniture, bicycling (Wayne rode through Mexico and Central America back in the '60's) and enjoying his 1950 Harley as well as his 1959 BSA.

Thanks Wayne and Jill for joining the Club in 2017. We all look forward to Wayne's leadership in 2023. And by the way club members....find out the fascinating story behind Wayne and Jill's pristine 1931 Phaeton!

Model "A" Youth News!

Let me tell you about Brooke Rozman!

Article by: Bob Moore
A World Magazine

Brooke is 13, lives in Elkhorn, Wisconsin, and is the third generation Model "A" owner in her Model "A" family. She, her parents, and her grandparents are members of the Wisconsin Chapter of the Model "A" Ford Club of America (MAFCA).

Brooke writes: "I've been in the club since I was born. I like Model "A"s because we do fun things and events in them. My parents help run club events....I like to help set up kids' events, help set up meetings and help the other kids at events."

Brooke has a 1928 Sedan which the previous owner transformed into a Pickup. Brooke and her father ran it well enough that she learned to drive around the property. If Brooks decides to keep the pickup, the engine will need rebuilding, she will need a complete new interior, not to mention the essential items of good tires, brakes, and window glass. However, Brooke does have her eye on a Model "A" Coupe with a rumble seat, so time will tell which car she chooses to pursue!

With her dad's help, Brooke hopes to complete a Model "A" for herself by 2024, when she will turn 15, and can receive her temporary driver's license.

Brooke is one of 10 recipients of the 2022 Model "A" Youth Restoration Award (MAYRA). Each of the ten received financial support in the form of gift certificates from various Model "A" parts vendors. Brooke will use the certificates as she works on her Model "A".

MAYRA makes awards every two years to the new generation of Model "A" restorers between the ages of 12 and 21. The next awards will be in 2024. Previous recipients are not barred from applying more than once! Check out the MAYRA website at ModelARestorationAward.org.

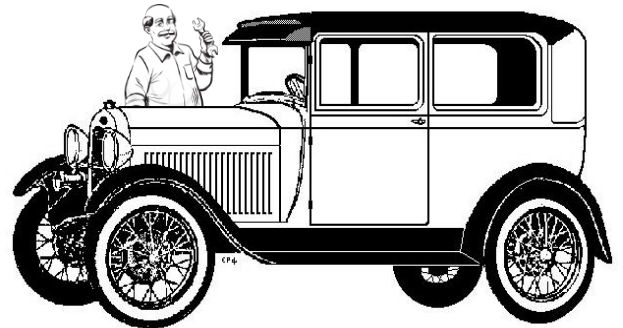

BACKYARD TECH TIP

ASK FOR HELP !!!

No matter what the problem you are having or the project you are undertaking on your Model "A", at least one club member has had the same problem or completed the same project, probably more than once. Before you start to work, email or call a member. If they don't have an answer, they will know someone in the club who does. This is one of the most valuable benefits of belonging to a Model "A" club, so take advantage of it. There is a wealth of knowledge within our membership. There are also a lot of guys eager to lend a hand.

"A" Word on Fashion

Stockings

Back in the 20's, stockings came in sizes 8.5 to 10, which was a number that reflected the shoe size. There was little stretch to them and they tended to bag at the ankles. For stout ladies (plus sizes) "out size" stockings were offered in wide leg widths. The sheerer the stockings were, the more hair was seen underneath. (Uh oh, time to shave those legs.) Shaving underarms had been in practice for several decades already, but legs were something new. Some stocking advertisers said "smooth legs and smooth stockings" go hand in hand while others said stockings do a fine job of covering up unsightly leg hair. The leg shaving trend was only picked up by the most fashion forward flappers.

Sizes, 9, 9½, 10 and 10½. State size. Shipping weight, 4 ounces.

Knit half of selected Rayon, half of pure Australian wool. Lovely silk-like luster on the outside; soft, wool warmth within. Ample sized elastic at the top.

Presenting
The
FLAPPER of the MONTH

This month we feature Theda Bara. Theda, the daughter of a local tailor, was born in Cincinnati as Theodosia Goodman in 1885. After high school, she pursued her dream of acting. By 1908, she was in New York searching for roles. In 1911 she joined a touring company. After returning to New York in 1914, she was hired as an extra. Her ability to take direction helped her gain the lead role as the "vampire" later that year, and "The Vamp" was born. It was a well-deserved break, because Theda was almost 30 years old, at a time when younger women were always considered for lead roles. She became the screen's first fabricated star. Publicists sent out press releases that Theda was the daughter of an artist and an Arabian princess. She allowed herself to be photographed with snakes and skulls. Theda's second film was later that year for the newly formed Fox Studios. Theda was hot property now and made six more films in 1915. The next year she made eight films, all of which made a great deal of money for Fox Films. In 1917, Fox Films and Theda both headed to California. That year she starred in the mega-hit, Cleopatra. After seven films in 1919, her contract was terminated by Fox and her career never recovered. In 1921 she married director Charles Brabin and retired. Theda Bara died of abdominal cancer at the age of 69 in 1955.

THE END
