Hello Everyone!

I'm stealing the Chief's Corner this month. Our Chief, President Davis, said that he didn't really have anything to report to the membership, so I thought that I would take the opportunity and jump in.

First of all, and most importantly, the location for the November meeting, which just happens to be tonight, has been moved from Commercial Point to Grove City. The meeting will be held at 7:00 p.m. at Planks on Broadway. Their address is 4022 Broadway in Grove City, Ohio. This will be a dinner meeting, so be sure to come hungry and bring your significant other. We will be holding our Election of Officers for 2024 at the meeting. The nomination of Officers was taken at the last meeting, so we will just be voting on them at this meeting to make everything official. Also, Clark Garn will be speaking to the group about powder coating. This should be an interesting topic.

The next item I have is notices in the newsletter. If you have a Model "A" or anything Model "A" related that you are trying to sell, send me a picture with a description and your contact information. We can get it listed here in the newsletter. I only ask that anything you would like to appear in the newsletter is sent to me by the 20th of the month. That gives me time to get it arranged and listed properly.

Finally, don't forget to pre-register for the Veterans Day Parade by November 3rd! The parade will be held on November 5th.

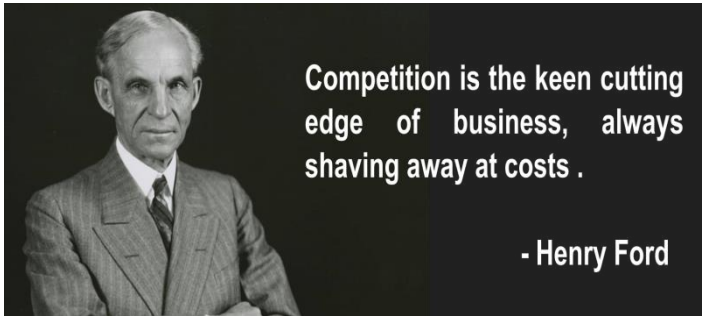

That's all I got for now, so keep those Fords "A"rollin'!

Our Next Meeting

DATE: November 1st, 2023

TIME: 7:00 p.m.

PLACE: Planks on Broadway

LOCATION: 4022 Broadway,
Grove City, Ohio

TOPIC: Powder Coating

DIRECTIONS:

1. Take I-270 around to the south side.
2. Get off at Exit 2 – Grove City Exit
3. Go south on US Highway 62.
4. US Highway 62 is called Broadway in Grove City.
5. Planks is located 1.7 miles south of I-270 on the east side of the street at the corner of Broadway and Park Street.

DELAWARE COMMUNITY

VETERANS PARADE

SUNDAY
NOVEMBER 5,
2023 - 3:00

DOWNTOWN
DELAWARE
RAIN OR SHINE

The Scioto Model “A” Ford Club will once again be participating in the Delaware Community Veterans Parade. This parade will be held on November 5th at 3:00 p.m. The parade line-up is at the Delaware County Fairgrounds located at 236 Pennsylvania Avenue in Delaware, Ohio. We will meet around 2:00 p.m. at the fairgrounds. To participate in this parade, you must pre-register by November 3rd. They will not accept any registrations on the day of the parade. To register, go to the following website and click on parade registration.

<https://DelawareOhVeteransParade.com>

Our club participated in this parade last year. It was a very nice parade with hundreds of people watching. We will drive our Model “A”s through the parade as a group. This is a great opportunity for us to show our support for all who served this great country!

October Secretary's Report

Our Tech Meeting / Annual Auction held on October 7th went very well. We had about thirty members attend. Everyone brought a dish to share so we had an impressive spread that everyone enjoyed. Our meeting / auction took place at Steve Rohner's Garage. Thank you ,Steve and Jaci, for your hospitality.

President Davis started the meeting by welcoming everyone, including one of our newer members, David Murillo. He also thanked those who joined the Roscoe Village Tour. We had a very interesting time visiting the different shops and riding on the canal boat.

Unfortunately, Treasurer Cheek could not attend the meeting, so President Davis gave a brief summary of what has been going on with our expenses.

We also did not hear from the Sunshine Committee, so we encourage you to contact Kathy Bickley if you have any news or updates to share with the group. Please let us know when a member is ill or having a rough time. We are here to help each other.

Our Secretary, Pat Liston, did not have any remarks on the minutes that were published in the Scuttlebutt. She did give David Murillo his name badge. Welcome aboard, David.

President Davis announced that Steve Baldwin will be leading us on a tour on October 21st. He then let Steve give the details of the tour. This will be a scenic tour that will take us to historic covered bridges in Fairfield County. We will also visit Ochs Farm, where you can buy some fresh apple cider and other goodies. We will meet at 9:00 a.m. at the Marathon Station, located at 5991 South High Street in Columbus, across from the casino. Please bring a picnic lunch to enjoy at the Rock Mill.

We will have our next Tech Meeting November 1st as a dinner meeting at the Station House in Commercial Point, Ohio. Our topic that evening will be powder coating.

We also want to remind you of some important updates and events for our club. First, we are looking for a volunteer who can take on the role of club historian and help us preserve and organize our club's history. This is an important and rewarding task that will benefit our club for years to come. If you are interested, please contact us and we will provide you with more details.

President Davis next reminded us that it was time for the nomination of officers. He explained that Vice President Jones will become our President next year. He said that Spencer Cheek agreed to stay on as treasurer and Pat Liston agreed to stay on as secretary. However, according to our club rules, nominations and seconds were still required for those positions. There was a nomination and a

second for Spencer Cheek to the Treasurer position. Then there was a nomination and a second for Pat Liston to the Secretary position. That left us with needing a Vice President for next year. Vice President Jones made a motion to nominate Mike Ruede for Vice President and Bill Minor seconded it.

President Davis then turned the meeting over to our Auctioneer, Daric Galden. Thank you Daric for a job well done. We had a lot of merchandise to auction off, and it was not an easy job. Daric did an outstanding job, everything got purchased, and the club made some money for the Christmas Party.

We went on our tour October 21st. We first got to see some covered bridges and a couple of old canal locks. Steve was very informative about the locks and the area. We then traveled to Ochs Farm where we purchased some apples, cider and even some small pumpkins and dried corn for decorations. While there, the farm owner discussed what all they grow and how long they have been working the farm. The Farm is going on its fifth generation. From there we rode on over to Rock Mill, where again Steve was a walking encyclopedia about the place and all they had done there. We had a nice picnic lunch on the grounds. It was a little chilly, but it went very well. Thank you, Steve, for a job well done. I am sure everyone enjoyed the autumn leaves, the stops we made, as well as the friendships we shared.

Have a Great Day!

Above is a picture that was submitted by Mary Lou Gearhart. She recently came across it and thought she would share it with all of us. It was taken at the Women Presidents Organization meeting where the guest speaker was the late Josephine Clay "Dody" Ford (on the right). Josephine was Edsel Ford's daughter. Thanks for sharing!

Good News! The Scioto Model "A" Ford Club is growing again. I would like to welcome our newest members, Tim & Shari Eveland of Heath, Ohio. I would also like to welcome Thomas & Barbara Lehman of Ostrander, Ohio. Tim & Shari have a 1930 Model "A" Coupe and Thomas & Barbara have a 1930 Fordor Sedan. All of us would like to welcome you and look forward to meeting you at one of our upcoming meetings or events. Welcome to the Club!

"A" Word on Fashion

Menswear

Another development in menswear in the twenties was the plus-fours. Plus-fours developed out of ordinary knickers, short-legged trousers that gather around the knee. Like Oxford bags, they were a bit baggier version of their precursor. They had four extra inches of material, hence the name. But instead of extending the trouser leg, they still fastened around the knee and the extra material hung over the band, creating the baggy look as seen at a racecourse in 1920. Often worn with a sweater, plus-fours were a popular golf attire. Much like how tennis-wear crept into casual womenswear, this style was also popular daywear for men, as was tennis-wear for men, too. You can see the casual way men dressed to play tennis, though some still wore ties in 1920's.

ANNUAL CLUB AUCTION

The Scioto Model "A" Ford Club held its yearly auction & cookout on the 7th of last month. This year's auction was held at Steve & Jaci Rohner's garage in West Jefferson, Ohio. The auction & cookout was a big success with 11 Model "A"s and around 36 members in attendance. The members all brought side dishes to share with everyone, which provided plenty of treats for all. A special "Thank You" goes out to past president Daric Galden for being the auctioneer for the day. This was a great day for our club. Because of members that donated items for the auction, our club was able to raise funds for the upcoming Christmas Party next month. Also, thank you Steve & Jaci for your hospitality and allowing us to hold our auction at your place.

FALL ROCK MILL TOUR

On October 21st, Steve Baldwin led the Scioto Model “A” Ford Club on the Fall Rock Mill Tour. The first stops included some covered bridges and old canal locks in Fairfield County. After that, the club headed over to Ochs Fruit Farm, located just outside of Lancaster, Ohio. While there, they got to learn about the history of the farm and do a little shopping. From there, the group headed over to Rock Mill. After checking out the mill, it was time for a picnic lunch. Even though it was a little chilly, everyone got to enjoy the beautiful fall views of Ohio. A big “Thank you” goes out to Steve for a great tour and an informative and enjoyable day!

BACKYARD TECH TIP

EXHAUST LEAK?

If you have an exhaust leak and find the block is badly pitted, usually around #4 cylinder exhaust port, you will have leak problems. One way to fix the problem is to use hi-temp metal epoxy. VersaChem's exhaust manifold repair or ThermoSteel are said to be good to 2000 degrees. First, remove the manifold and clean the area with brake cleaner. Then put a little epoxy on it, cover it with some wax paper, and then bolt the manifold back on. After it dries, take the manifold off and use a die grinder to clean the epoxy that might have squished into the port. Finally, install a new gasket and bolt the manifold back on again. Many folks use Permatex hi-temp copper sealer on their exhaust gaskets. This method should take care of any leaks that you may have.

Model "A" Youth News!

Michelle Brown
Looking Glass A's region

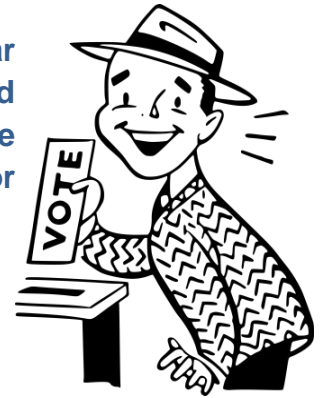

Summer fun and learning were the opportunities offered by the youth coordinator, Emily Ellway, at the MARC National Meet in Morgantown, PA. The kids that joined in for the disassembly and reassembly, on two different days, enjoyed the chance to learn how to take wheels off a chassis by working together and how to take a few parts off of the motor as well.

It's Time To Vote!

Per our club bylaws, nominations are taken every year at the regular October club meeting for the offices of Vice President, Secretary and Treasurer. Then, at the regular November club meeting, those nominations are voted on. This year, we have only one nomination for each position. The nominations are as follows:

Vice President – Mike Ruede
Secretary – Pat Liston
Treasurer – Spencer Cheek

The “official vote” will take place at our next regular club meeting on November 1st at 7:00 p.m. That meeting will be held at Planks on Broadway, located at 4022 Broadway in Grove City, Ohio.

Come Join The Fun

We are having our Annual **Christmas Party**
and **Celebrating our 65th Anniversary**

The Scioto Model "A" Ford Club Mileage Program

We like to keep track of how many miles our members put on their cars every year. Could everyone please submit their ending mileage for 2023 no later than November 6th to Past Liston at:

patliston@outlook.com

If you are a member of the MARC's Mileage Award Program, let her know that as well and also submit your vehicle's serial number. She will report the information to MARC for you.

Your Dues Are Due!

It's time to pay your 2024 club dues. The dues are \$25 for the entire year. You may pay your dues at the November dinner meeting, at the Christmas Party or you can mail them directly to the Club.

Please submit your check payable to:

Scioto Model "A" Ford Club
751 South State Route 605
Sunbury, Ohio 43074

If you have any questions or concerns about your dues, please email Pat Liston at:

patliston@outlook.com

HOW TO INTERPRET ANTIQUE CAR ADS

If it Says:

It Really Means:

Rare Model.....	Nobody liked them when new
Older Restoration.....	Can't tell it's been restored
Needs Engine Work.....	It's been frozen for 30 years
Uses No Oil.....	Just throws it out
No Rust.....	Body and fenders missing
Rough.....	It's too bad to lie about
One Owner.....	Never been able to sell
No Time to Complete.....	Can't find parts anywhere
Needs Interior.....	Seats are gone
Rebuilt Engine.....	Has new spark plugs
May Run.....	But it never has
Low Milage.....	Third time around
Many New Parts.....	Keeps breaking down
Clean.....	It sat in the rain yesterday
Best Offer.....	About what I expect to get
Always Driven Slowly.....	Won't go any faster
Prize Winner.....	Hard luck trophy 3 times
Stored 25 Years.....	Under a tree
Real Show Stopper.....	Orange with purple fenders
Easy Restoration.....	Parts will come off in your hand
Ready to Show.....	Just washed it
Top Good.....	Only leaks when it rains
Good Investment.....	Can't depreciate any more

Presenting

The

FLAPPER of the MONTH

This month we feature Jetta Goudal. She was born Juliette Goudekot in 1891 in the Netherlands. The daughter of a Jewish orthodox diamond cutter, she began her career on stage in Europe. Arriving in New York City in 1918, she purposely disguised her ancestry and her age, passing herself off as "Jetta Goudal," a Parisienne born in Versailles in 1901 and the daughter of a lawyer. She first appeared on Broadway in 1921. She attracted immediate attention with her first two small film roles and caught the eye of legendary director Cecil B. DeMille. Unfortunately, the element of mystery that made Goudal so popular on-screen came with a price. She was an unrepentant theatrical "grand dame" and possessed a fierce temper. Her extreme difficulty on the set led to DeMille breaking her contract, which in turn led Goudal to file a landmark lawsuit against him. Goudal won the lawsuit, but the damage to her career and reputation never recovered. Moreover, with the arrival of sound, her very thick French accent left her with limited offers. Goudal married in 1930 and retired from the screen permanently three years later. Plagued by health problems, she suffered a serious fall in 1973 which left her an invalid. She died in 1985. Her devoted husband was interred next to her upon his death in 1993.

THE END
